Colorie l'escargot.

Attention! Il ne faut pas que deux couleurs identiques soient à coté dans sa carapace.

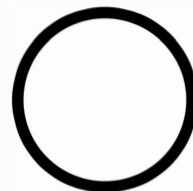

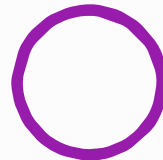

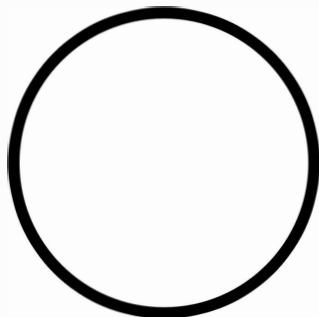

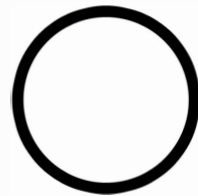

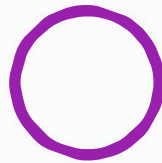

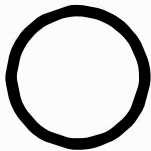

Voici la tête d'un bonhomme.
Pourrais-tu lui dessiner une bouche, un nez
et des cheveux?

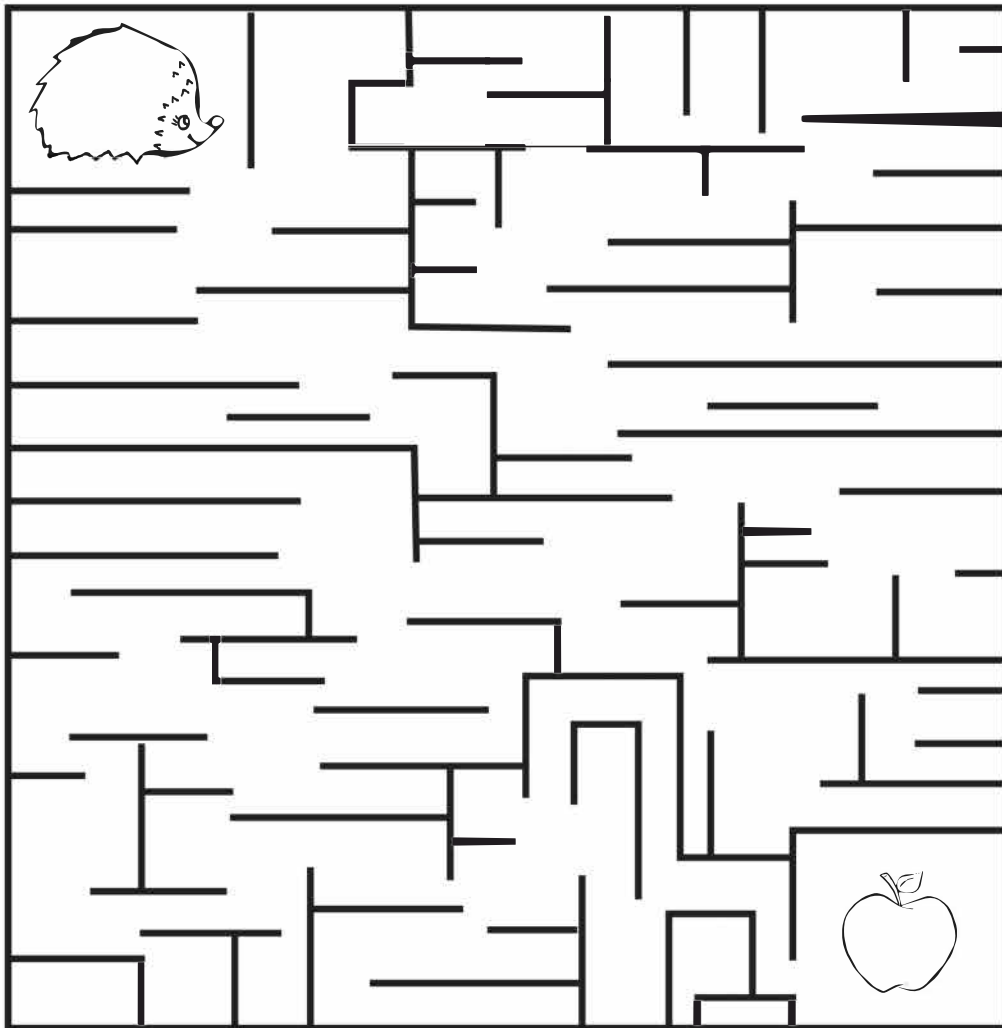

Voici 7 ronds.

Colorie les ronds noirs sans dépasser, puis compte-les.

Conduis le hérisson à travers le labyrinthe,
jusqu'à la pomme.

Colorie.
